The girl intends to push her fight for an accounting and a new guardian to the limit. She is so annoyed by the publicity given her quarrel with her elderly guardian that she has made her home a veritable fortress, in which she can direct her legal battles in peace.

In Miss Heath's fight for the removal of her guardian, mortgages covering for Mr. Maddock, were given a week in which to subhmit briefs. After deliberating upon these, Judge Martin will to convince the court through her countries that the rights of foreigners will be revivacious 19-year-old giri, who gages amounting to \$21,500 to the estate atton as likely to develop phases alarmtestified that Mrs. Maddock had called and thus violated his trust.
